PUBLIC TRANSPORTATION AND ON-CAMPUS SHUTTLE

There is a bus stop located by the Green Parking Garage, in front of the Inova Fairfax Hospital Entrance (1). Please refer to wmata.com and fairfaxcounty.gov/connector for more information and bus schedules.

If you would like to connect to the Metro Rail Lines, take the Fairfax Connector bus (route 401) to the Dunn Loring station to connect to the Orange Line, or to the Tyson's Corner station to connect to the Silver Line.

An on-campus shuttle bus stops at every parking garage and hospital entrance every 15-20 minutes to transport patients and visitors around campus.
