

Directions to Outpatient Rehabilitation Services

Please park in the Orange Garage if possible, as this is the preferred entrance.

1. Please **park in the Orange Garage**. Drive up Peterson Discovery Drive (from Gallows Road) toward the buildings, then follow the signs for the Orange Parking Garage (last garage in the row).
2. Park on Level 2 of the garage (there are handicapped parking spots available) and follow the signs to enter the building.
3. Once you are inside the building, there are transport chairs available if you need a transport chair to get to our location safely.
4. You will pass the screening desk and sanitize your hands, then follow the hallway and turn **right** through the open double doors. Take the first elevator you see to the fourth floor. When you get off the elevator, you will be in our lobby.

Directions if using Valet

The most direct route to the Outpatient Rehabilitation Services registration/waiting area is from the orange garage. Please park in the orange garage if possible.

However, if you are using the Valet:

1. Come in the front door of the Schar Building, and come to the second floor using the escalators or elevator.
2. Walk past the Tower 2 elevators (a group of 6 elevators), and follow signs to the Inova Specialty Center/Orange Garage

3. Proceed straight down the long hallway, through multiple sets of open double doors

4. As you pass through the last set of double wooden doors (they will be open), you will see an elevator on your right. Take this elevator to the **FOURTH Floor** and it will open into our reception area.
