COVID-19 Services for Medicaid/Uninsured Patients

All members of Northern Virginia's culturally diverse communities are welcome at the Inova Cares Clinic for Families (ICCF). ICCF provides primary care services for patients who qualify for Medicaid, FAMIS or Inova's Financial Assistance Program, and the uninsured. Inova assists patients who qualify for Medicaid with the enrollment application process. Financial assistance/charity care options will be explored for patients who do not qualify for Medicaid

COVID-19 Information:
ICCF provide free COVID-19 telemedicine screening for all patients, with a particular focus on the low-income uninsured. COVID-19 symptoms can include, cough, fever, shortness of breath, chills, muscle pain, headache, sore throat, and new loss of taste or smell.

If you are experiencing symptoms of COVID-19 and have Medicaid coverage or no insurance, call an ICCF to schedule a free telemedicine screening. If needed, a COVID-19 test will be scheduled and administered at no cost.
